Valrico Soccer Club (VSC) is a non-profit organization with a 501(c)(3) tax status. It is a family oriented club that teaches teamwork, fundamental skills, personal responsibility, work ethic, sportsmanship, and a competitive spirit. VSC is committed to providing our players with quality professional training as well as the opportunity to compete at the highest levels in an atmosphere of fairness and integrity. Club & Competitive Packages

Our competitive teams provide our players with the opportunity to play at a higher level of competition. These teams travel to all parts of west central Florida to play other competitive teams. In addition to regularly scheduled games throughout the spring and fall, most competitive teams also enter tournaments traveling to many cities throughout Florida. These teams may also participate in the annual Regional and State Tournaments in which they may travel to all parts of Florida to compete with some of the best teams in the state. These teams represent VSC and the Brandon community. Their successes are a point of pride for our community.
